## OV-TECHNIQUE INFORMATION

What is a natural dye?

We use organic components with vegetable origins, avoiding chemical components.

Why dressing a garment of 100% cotton is the best option?

Soft, natural and breathable  
Our natural cotton, gives us softness and comfort. It let our body breathe.

Natural fabrics such as cotton are highly transpirant.  
Cotton is perfect to wear in summer, it can easily absorb humidity of the body and helps keep it dry.

## OV-TECHNIQUE INFORMATION

### Why our clothes have high durability?

Our Garments are long-lasting because they are made with Premium Quality cottons. Thick garments more resistant thanks to some special treatments applied. The special thread allows you not to lose comfort and soft clothing.

### Why our prints do not fade?

Our prints do not fade because we use the best paint products PLASTISOLES. Thanks to the latest drying technologies we find the perfect compromise between drying and curing the garment.

The curing is what allows us to make sure that painting of the stamp lasts much longer than other traditional garments along in time.

## OV-PRIVATE COLLECTION
